Measure, Appointment or Topic: HB3075

I have a constitutional right to protect myself and my family. I have the right to choose the way I protect them. Oregon has turned into such a garbage state and it is all because of you in Portland/Salem, which means I need to protect even more. Taking away my rights as an American is not only unconstitutional, it is illegal. Laws don't seem to matter much to you, but as a law abiding citizen, I oppose this and most all you do. President Trump needs to come to Oregon and get rid of all of you.
