HB3075

I do not support this bill. Just like 114. I have lost my rights to purchase a gun and have to be approved to purchase a gun is 100% unconstitutional! Im a hunter and completed a hunters safety course to hunt! So now i have to get approval to be able to hunt! This is over the line and makes law following Oregonians criminals! Unconstitutional! If this passes, you must really intend to make law abiding citizens criminals and your a damn crook! Im waiting for a lot of pissed off law abiding hunters to really turn into criminals so you can face the music!
