

Submitter:

Cody Whetzel

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3075

I strongly opposed measure 114, I oppose HB 3075. This and all gun restrictions are an infringement. I have always played by the rules, hunters safety course prior to 12 years old. Current CCL holder. But the gun grabbers always want more. This bill is no exception!! It's infuriating. Always punish the good guys. The bad guys will still be bad guys!!!
