

Submitter: Michael Dahlberg

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I Mike Dahlberg do hereby submit my opposition to the modifications to ballot measure 114 permit provisions. The state of Oregon is overreaching on gun control once again. Oregon State Police as well as other police agencies across the state of Oregon are not setup nor prepared for a permit purchasing policy. Once again another gun control bill has been introduced that makes law abiding citizens such as myself a criminal.
