Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I am an Oregon voter and I support HB3075-1. Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114. We passed Measure 114 to reduce gun violence. It's time to begin saving lives. My family experienced gun violence as my father ended his life this way. I have always wondered if there hadn't been so many accessible guns or if they were stored & locked if he would have had time to think it through maybe our lives would not have been so devastated. It is good to have these type laws to help with this horrible situation.
