

“I am an Oregon voter and I support HB3075-1. Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court’s stay is lifted, for full implementation of Measure 114. We passed Measure 114 to reduce gun violence. It’s time to begin saving lives. ”

I helped with the initial political drive and later worked with the Secretary of State’s office and Oregon State Police trying to quick start the implementation process. It was clear to me two years ago that OSP’s leaders were willing, able and ready to implement the process as soon as possible.

I appreciate your efforts to make Oregon safer and follow the will of the people.
