

Submitter: Elizabeth Fox

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3786

Continuing support for this program is critical for much-needed, important research. Climate change threatens all our coastal resources and we cannot afford to abandon studies which help us understand how to best manage impacts and ameliorate limited federal support for research.

Please continue funding this important program.

Thank you for your consideration.
