

Submitter: Rowan McKenna
On Behalf Of: The students of Hood River Valley High School
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

I am a student in Oregon and I support HB3075-1. Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114. We passed Measure 114 to reduce gun violence. It is not right that it is necessary in our country to practice hiding under our desks or remaining silent for fear we will be shot. It is not right that I have to hear weekly news of another school shooting and wonder if that could ever be me. Please do what you can to help future generations and save lives.
