Measure, Appointment or Topic: HB3075

These movements are absolutely unacceptable. They are wildly unconstitutional. The purpose of the second amendment is to protect the GOD GIVEN rights of Americans to remain armed at all times for the security of a free state. How then, are we to oppose a tyrannical government, if we must ask said tyrannical force for permission to obtain weapons? This does nothing but harm law abiding citizens. We will not stand for this. The only people laws have any effect on are law abiding citizens. This is common sense. One can build their own firearms and ammunition quite easily no matter what you outlaw. STOP INFRINGING ON IUR RIGHTS. THIS WILL NOT STAND. WE WILL NOT COMPLY.
