

Submitter: Isaac Waley

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I believe this is wrong to my core. Putting more regulations on law abiding citizens does not change anything at all, for the criminals who create problems with firearms. All agencies involved in the permitting plan that will be put into place have openly stated they do not have the resources to fulfill what is being asked, and won't. This is nothing more than a waste of state resources.
