On Behalf Of: Mr Oregon OPPOSES SB 448
Committee: Senate Committee On Health Care
Measure, Appointment or Topic: SB448

I OPPOSE [SB 448].

From the Text of [HB 448], "...SECTION 1. (1) The Oregon Health Authority shall study and prepare a strategic plan for the State of Oregon to address medication-induced movement disorders. The plan, at a minimum, must:

... (c) Develop recommendations to ensure minority populations have equitable access to existing and expanded resources for medication-induced movement disorders for patients, providers and caregivers in this state...."

What is it really, "Equitable Access or Equal Access?"

There is 'No' budget allocation for [SB 448] and this is the K.O.D. (Kiss of Death) to this piece of Legislation. After all, Oregon Health Authority Reports are not cheap.

David S. Wall

Mr. Oregon Concurr and says, "The 'Equitable Access' instead of 'Equal Access' is another K.O.D. for this tripe."
