Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I strongly oppose this measure. I have been a concealed handgun permit holder for over 26 years. Crime is at an all time high, drug abuse all time high, record criminals released from jails, a governor who wants to let pedophiles and rapists off with a hand slap. I live in outer south east Portland and it's getting worse. Police are spread to thin, stop restricting legal citizens rights to keep and bear arms for the defense of ourselves and the cities we live in. No restrictions. An armed society is a polite society. Thank you.
