

Submitter: Brian Mcguire

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

This is just common sense. Why are we licensing gun dealers and then not enforcing basic standards to ensure guns aren't sold out the back door to criminals.

It is embarrassing that the cartels in Mexico drive to oregon to buy guns from our stores.

This needs to stop as our lack of standards and enforcement are incentivicing bad actors.
