Measure, Appointment or Topic: HB3075

The firearm permit provisions of Ballot Measure 114 do NOT need to be modified to ram down the public's throats the short sighted and ineffectual agenda of the Democratic majority of Oregons governmental offices. This is nothing more than yet ANOTHER attack on the second amendment of the Constitution by the Democratic Party to get the people to get onboard with their shady and nefarious agenda. They will keep chipping away at our rights until they have the result that THEY want, not the people. Please do not allow this to happen with this wrong headed and dare I say it? Stupid attempt at fixing something that is not broken.
