Measure, Appointment or Topic: HB3075

I stand in opposition to HB 3075. This misguided bill represents a clear overstep, targeting responsible gun owners, limiting access to firearms, and insulating the government from accountability. Instead of waging yet another misguided assault on constitutional rights, the Oregon Legislature should prioritize genuine solutions to address crime. Passing this bill won't enhance community safety—it will simply hinder law-abiding Oregonians from safeguarding themselves and their loved ones.
