

Submitter: Robert Jeffs

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I oppose this unconstitutional decision. You are taking my rights away from me and my family to have safety and security. It's outrageous you think criminals care anything about laws you set for the people. By passing this uneducated ridiculous law you are endangering my life and of my family. Stop destroying Oregon with nonsense bills like this one.

Thank you
