Measure, Appointment or Topic: HB3075

It's important to remember that measure 114 was only overwhelmingly approved in Multnomah county, and most Oregon counties voted against it. This bill and 114 further creates a divide between Portland and the rest of Oregon. Multnomah County and Portland should focus more on stopping their doom loop as gun violence will only worsen as that gets worse. This bill and 114 actually won't reduce gun violence based on other cities/states experiences like Chicago and California as drug dealers and criminals will still have/use high capacity magazines and illegal guns. Also, these are likely to get stuck down at the US Supreme Court level based on recent verdicts/precedent thus wasting taxpayer dollars and time.
