Measure, Appointment or Topic: HB3076

I am an Oregon voter writing to support HB 3076. A state licensing program for gun dealers is just as vital as our current licensing programs for nail salons, hair salons and food trucks - to name a few. Guns are one of the most deadly possessions, and the businesses that sell guns and ammunitions absolutely need to be licensed and routinely inspected by the state.

I want to feel safe in our state, and right now I often decide to stay away from events with large groups for fear of gun violence. This is no way to live. The state of Oregon must hold gun dealers accountable to basic business standards.

Please pass HB 7036!
