Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I am an Oregon voter and I support HB3075-1. Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114. I worked hard circulating petitions to get this measure passed. The vast majority of folks I met eagerly signed the petition. We have spoken. We are desperate to do something to staunch the flow of blood and guns and tragedy - something our Founding Fathers never intended and by which they would be horrified. It's The Guns. We all know it. Time to begin saving lives.
