Measure, Appointment or Topic: HB3075

I'm 64 years old and oppose this bill. I have been an Oregonian and gun owner all my life without being a criminal. You Democrats are a lost party today. This bill will make a criminal out of law abiding tax paying citizens like me. You Democrats should be looking at ways to improve the lives of the Baby Boomers such as cutting taxes. We Boomers VOTE and we are turning against you Democrats. You Democrats are not like the party when we were growing up. Shame on you big government control freaks. Have a nice day. Thank you.
