On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

According to the 2nd amendment, being necessary for the security of a free state, the right of a free people, to keep and bear arms,SHALL NOT BE INFRINGED!!!! This bill does nothing but impede the rights of law abiding citizens and does nothing to get the criminals who use guns,off the streets. Concentrate on keeping the criminals off the streets instead of hampering my rights to protect myself and family from said criminals. The people who govern this beautiful state are doing nothing to back the law abiding citizens, but allowing the criminals to run rampant and nothing to fear, but a slap on the wrist and then,back on the streets. I totally oppose this bill,and the governor for allowing this to happen.

Douglas W Estes....concerned citizen.
