

We are writing this letter in support of the Rogue Valley Farm to School Program which we strongly support. Both our grandsons have participated in the program which we credit for giving them an appreciation for healthy food and how it's farmed. The program supports local farmers, uses federal funds for local betterment, supports healthy locally grown food in our school programs and provides hands-on learning for local Rogue Valley children. Please support this program with appropriate funding increases. Thanks very much,

Ken and Tina Slosberg
