

Submitter: Bill Hayden

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I am a resident of the City of Salem. I helped get Measure 114 on the ballot and voted for it. Now it's time for the Legislature to take this one step to get it smoothly implemented this session. I support HB3075 and the proposed -1 amendment. Studies show that permits to purchase, like the one in Measure 114, will reduce homicides and suicides in Oregon. I urge you to start saving lives by having the permitting process begin as soon as the courts lift the stay. Please pass the bill out of your committee ASAP. Thank you very much.
