Measure, Appointment or Topic: HB3075

I oppose HB 3075. It is unconstitutional and again, another bill meant to take away Oregonian's second amendment rights. Every one of those legislators sit at the capitol building with the peace of mind knowing they have security and protection, but they want everyday citizens to jump through a million hoops to earn the right to protect ourselves and our families...that is not how the founding fathers designed the second amendment....shall not be infringed.
