On Behalf Of:	Adult care homes
Committee:	House Committee On Labor and Workplace Standards
Measure, Appointment or Topic:	HB3838

As the owner of an adult care home, I am writing to strongly oppose HB 3838. Adult care homes are already among the most heavily regulated facilities in the state, and this proposed legislation would place an additional burden on small businesses that are already struggling with limited resources and underpayment.

Our facilities provide essential, high-quality care in a home-like setting for some of our most vulnerable community members. Adding further regulations or financial strain could jeopardize our ability to continue operating and serving those in need. Rather than imposing additional barriers, we urge you to support policies that strengthen and sustain adult care homes so we can focus on providing the best possible care.

I respectfully ask you to oppose HB 3838 and consider the impact it would have on small care providers and the individuals who rely on our services. Thank you for your time and consideration.

Sincerely,  
Yana Kasim
