Please get this bill moving along and in place.

HB 3075-1 will help ensure a smoother and more rapid implementation of Measure 114.

I campaigned for and voted for Measure 114.

Measure 114 was supported by a majority of voters and had been held up by various efforts to deny those votes.

Now the Measure 114 has been ruled constitutional let's get it working to save lives and make us all feel a little safer.
