

Submitter: James Welsh

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Since there is no infrastructure in place to satisfy the impossible to comply with provisions / demands of both HB 3075 & Measure 114, when implemented, this will cause the complete shut down of firearm sales and transfers, and force FFL's out of business. This means that for all intents and purposes, the 2nd amendment will cease to exist in Oregon.
