

Submitter: David Delk
On Behalf Of: Economic Justice Action Group of the First Unitari
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

Gun violence kills and harms people everyday. Oregon citizens organized a ballot measure and strongly supported it at the polls. Just one judge in Harney County has prevented it from being implemented. This bill will help with the implementation. I support HB3075 and want you to support it as well. Vote Yes on HB3075
