Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I am an Oregon voter and I support HB3075-1. Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114. We passed Measure 114 to reduce gun violence.

HB 3075-1 will help ensure a smoother and more rapid implementation of Measure 114.

My church and its members have worked very hard, along with Augustana Lutheran Church, St James Lutheran Church, Lift Every Voice volunteers, and many others, to gather signed petitions and host gun violence educational events in Portland for several years, in support of Measure 114's ultimate passage with the voters. So much hard work by churches and other volunteers, for years now, all for love of children and other human lives. Measure 114 WILL save lives. Gun violence is the leading cause of children's deaths in the USA...what more do we need to say? Would you not want to change that statistic and have more children live? It isn't cancer, it isn't AIDS, it isn't auto accidents, no, it is gun violence, and we can make a difference. Let's fix that this week. It's high time to start saving lives.
