Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I am an Oregon voter and I support HB3075-1. Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114. We passed Measure 114 to reduce gun violence. It's time to begin saving lives.

As a survivor of an abusive relationship, I lived in fear of my ex buying a gun and "putting a bullet in my brain because that's what bitches like me deserved," as he told me. I had a protective order against him, but the idea that he could get a gun made me live in fear for a year after our separation. The regulations in Measure 114 would have helped a lot to make me feel safer every time I leaned down to unlock my front door.

Please don't hesitate to get this measure put into action so that other people in my situation can breathe just a little bit easier.

Thank you.
