

Submitter: steven chang

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

HB3075 is absolutely a infringement of the rights as a oregonian and an American!
Any politicians who supports this is a massive anti-american fraud and have no
business of being a representative of Oregon. Gun ban and gun control never
controls or reduces crimes, it only hurts the LAW Abiden Citizens! I absolutely
oppose this bill.
