

Submitter: ANNE EMMETT

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Dear Members of the House Committee on Judiciary

I am a licensed clinical social worker in Portland with a private psychotherapy practice. I have seen how trauma can impact people's lives in my work . I support the passage of HB 3075 in an effort to have some reasonable gun control laws. Please support this bill. Thank you.
