

Submitter: Bonnie New
On Behalf Of: LEVO
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

I'm writing to urge you to pass HB 3075-1 out of committee without delay so it can ensure a smoother and more rapid implementation of Measure 114.

We desperately need to advance gun safety measures like Measure 114. Studies show that permits to purchase, like the one in Measure 114, will reduce homicides and suicides in Oregon.

I heard from a high school student at my local high school (HR Valley High School) just this week that one of the greatest fears among students is the gun violence we have seen over and over in schools around the country. We owe it to them to enact Measure 114 as soon as possible.

Voters passed Measure 114 to reduce gun violence. We need to deliver on that ASAP, for all of us. Passing HB3075-1 is an important step in that direction.

Thank you,
