

Submitter: Charles McKenna

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I urge you to pass HB3075, which will ensure Ballot Measure 114 is fully and successfully implemented. I worked with other Oregonians to pass Ballot Measure 114 in 2022, knowing it would save lives and reduce gun violence in our state. Now that the courts have finally ruled that the measure is constitutional it is time to pass HB3075 to speed the enactment of this vital measure. I live in North Portland and have witnessed first hand the surge in gun violence over the last five years. I know HB3075 and Ballot Measure 114 will reduce gun violence and make my community safer. Thank you for your consideration of this bill and please pass it out of committee and on to the full House.
