HB3075

I am opposed to this bill. We live in America the free and home of the brave men and women who have died for our freedom and rights to be preserved forever. Our rights shall not be infringed in any way under the 2nd amendment of the constitution of the United States of America. This will horribly affect the fiscal budget of Oregon, making Oregon families suffer even greater.

I am opposed to any new gun regulation or law that directly violated my federal constitution in any way.
