

Submitter: Christina Tobey

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Please implement Measure 114. I have been a teacher for eighteen years, and as a teacher, I worry about gun violence too often. I value our second amendment rights, but I also believe we need common sense gun laws. It is time to implement what I, and many other teachers voted for: Measure 114.
