Measure, Appointment or Topic: HB3075

I oppose hb 3075-1. This bill will do nothing to stop criminals from obtaining firearms, however what it does is put an undue burden on law abiding citizens with a permit to purchase. This bill goes against the US constitution and the Oregon state constitution. It also goes against the Bruen decision (text, history and tradition) issued from the US Supreme Court. If 300,000 stun guns were ruled in common use in the Heller decision issued by the US Supreme Court than millions of Standard capacity magazines are most definitely in common use. I urge everyone to oppose this hb 3075-1.
