

Submitter:	Millie Mcpherson
On Behalf Of:	forced out of my home
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB3755

Living on social security and a small pension fund wasn't enough to pay my property taxes. I had to move out of my home of 39 years. This is not the way I pictured my retirement years. If this law was in affect sooner, I could have stayed in my home. Please vote yes so everyone in my situation won't get forced out.
