

Submitter: Dolores Colligan

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

Dear Members,

Please support HB3076. This is very reasonable legislation to study the impacts of gun dealers in our state and hopefully inspect them to ensure they are in compliance with the law.

We have some gun dealers in our neighborhood and their parking lots are constantly packed and it worries me with schools nearby.

Please take action to save lives.

With gratitude,  
Dolores Colligan
