

Submitter: Clark Anderson

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

This amendment to measure 114 further removes access to defensive firearms from those without wealth. This is a gross infringement of what is explicitly expressed as a right that shall not be infringed. If only those above the poverty line can afford a right, as defined in the US Bill of Rights, then it can no longer be considered inalienable, or un-infringed upon...
