

Submitter: Scott Rogers

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

The Oregon Legislature is making a mistake if they pass HB3075. This not only takes away our constitutional rights but also the right to protect ourselves and puts a huge burden on taxpayers & law enforcement to enact & enforce such bill(s).

I urge the Legislature to focus on stopping actual crime rather than making law abiding citizens criminals by passing bills like HB3075 (HB3075-1) & M114 and such...

Thank you for your time and God bless all!
