On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Please support the passage of HB 3075 to smooth the firearm permitting provisions of Ballot Measure 114, soon to become law.

Oregonians wanted safer use of firearms and common sense restrictions when they passed Measure 114 .

HB 3075 provides for a smoother transition when the measure goes into effect.

Thank you.
