

Submitter: Stephanie Arnold

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I am an Oregon voter and I helped get Measure 114 on the ballot. I am proud of the democratic process that produced this measure and won the support of a majority of Oregon voters. Now it's time to expeditiously move this measure out of committee and complete the implementation process. This measure will reduce homicides and suicides in Oregon. Please do your part to support the will of Oregon voters. Thank you.
