Measure, Appointment or Topic: HB3075

I oppose Measure 114 and HB3075 in Oregon because it violates our constitutional rights to bear arms. Plain and simple. It gives too much discretionary power to the police, which would lead to biased decisions on who can own firearms. It also fails to address the root causes of "gun violence" effectively and could disproportionately limit access to firearms for minority groups, exacerbating existing inequalities. Restricting our constitutional rights will do nothing to make Oregon a safer state, most of our gun deaths occur due to suicide. Focus on mental health, not an inanimate object.
