

Submitter: Niccolle Breeden

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Measure 114 in Oregon violates our constitutional rights to bear arms. It introduces a permit system that gives too much discretionary power to the police, which could lead to biased decisions on who can own guns. Moreover, it fails to address the root causes of gun violence effectively and could disproportionately limit access to firearms for minority groups, exacerbating existing inequalities.
