Measure, Appointment or Topic:

HB3075

I am an Oregon voter and I support HB3075-1. Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114. We passed Measure 114 to reduce gun violence. It's time to begin saving lives. I read that the Constitution says we have a right to life, liberty, and the pursuit of justice. With the current laws allowing no restrictions on gun ownership, I have lost my right to life. It is currently too easy for people who intend to harm themselves or others to obtain guns in this state and country. It is time to vote for peace and non-violence and ensure that Measure 114 is finally implemented.
