

Submitter: Chris Karlin

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

The 14th Amendment to the U.S. Constitution certainly cemented the individual right to own a gun. While we all have this right, when exercised, we also have the responsibility to our neighbors to exercise that right in a responsible manner. HB 3075 will merely lead to the codification of those responsibilities.
