Measure, Appointment or Topic: HB3075

I oppose HB 3075-1. This is a violation of the constitution and my civil rights. This bill seriously infringes on my 2nd amendment right's. I am almost 68 years old and have been handling guns,(from BB guns and long guns, and pistols) safely from the time that I was approximately 10 years old. I have never had an accident with one or committed a crime with one. I have never been arrested or incarcerated. I do not have a drug abuse problem nor do I have an alcohol problem, 6-12 drinks a year at the most and some years not even that. As a youth I had successfully taken a hunters safety course and hunted almost every year since I was 12 years old. These laws that you are trying to pass are a serious violation of my civil rights. I believe in the safe handling and storage of guns. Please leave my gun rights intact.
