

Submitter:

Meaghan Johnson

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3076

I am a resident, a parent, a woman. I implore you to improve the safety of our communities by licensing gun dealers. If we regulate hair salons, we can regulate gun dealers. We regulate so many things that are actually dangerous and potentially lethal, and guns should be no different. Gun dealers need to do better and they won't unless required. Please pass HB3076.
