On Behalf Of: my family  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3075

As a retired attorney in Portland, I have seen the bottlenecks that form with constant litigation of measures that have majority support . You now have the opportunity to implement measure 114 and being saving lives. This measure helps to clarify some of the details needed so a smooth implementation should be possible.

Thank you for listening to what the majority of Oregonians support.

Thank you
